National Lawn & Garden Show

6/11/2012 - 6/13/2012

Embassy Suites, Dallas, Texas

The National Lawn & Garden Show is not the trade show you're used to.

- You save time with their signature pre-set appointment format.
- You select the products you want to see, eliminating unnecessary appointments.
- Vendors bring the products to you at your private conference table.
- Presentations will be personalized with your requirements.
- Enjoy networking opportunities, events, product displays and new product prototype reviews, too!
