Flora Niagara International Horticultural Exhibition

5/10/2017 - 10/9/2017

Niagara Falls, Ontario, Canada

Flora Niagara 2017, an International Horticultural Exhibition will bring the world of horticulture to a spectacular location adjacent to the famed Niagara Falls and various locations throughout the Golden Horseshoe Region, to showcase gardens, floral displays, industry trends and innovations, demonstrations and competitions. It will attract more than 3 million visitors and 50 participating countries over its 150 days of operation, in celebration Canada's 150th Anniversary.
