California

It's that time again! Time to make plans for that annual trip to California for Spring Trials. Check out our maps at www.SpringTrials.com to make sure you know where your suppliers are or to find places to stay, places to eat and more! As usual, the Bobbleheads, Chris Beytes and Ellen Wells, will have all of your Spring Trials highlights covered with daily emails and videos if you can't make it to California or you only have time for a few stops.
