The Native Plant Show

4/20/2017 - 4/21/2017

Bradenton Area Convention Center, Bradenton, Florida

This is a wholesale trade show featuring native landscape plants and select green products for the landscape industry. Growers from throughout Florida and the Southeastern U.S. are invited to exhibit native plants. Attendees include landscape architects, designers, installers, maintenance professionals, municipalities, arborists and other professionals interested in sustainable landscaping.
