## Native Flora of the Carolinas Tour

5/5/2017 - 5/5/2017

### Durham and Chapel Hill, North Carolina

Experience the spring magic of the Sarah P. Duke Gardens including guided tours and an educational seminar over lunch. A visit to the North Carolina Botanical Garden Chapel Hill in the height of the season will educate visitors on the native floral displays of the central piedmont region. Finish the day with a trunk show and guided tour of the famous grounds of Fearnington Village. Enjoy craft beer, wine, live music and wood-fired pizza at Roost Beer Garden.
