Urban Green Infrastructure-Connecting People and Nature for Sustainable Cities

9/20/2017 - 9/21/2017

Green Surge, Malmö, Sweden

Green Surge invites all interested to the project's final conference, generously hosted by the City of Malmö. The conference themes are related to emerging issues and future challenges of nature-based solutions and sustainable urban development. The target audience includes researchers, decision-makers, planners and practitioners.
