

Wildlife Habitat Council's Conservation Conference

11/8/2017 - 11/9/2017

Baltimore Marriott Waterfront, Baltimore, Maryland

The leading conference of corporate and conservation professionals who come together for a 2-day experience of learning, networking and celebrating corporate conservation achievements. Focused on discussions that are important for corporate conservation, employee engagement and community relations. Gain valuable information and strategies to face the issues and challenges of corporate biodiversity programs, and learn techniques and best practices for successful wildlife and habitat management.
