The London Produce Show and Conference

6/6/2018 - 6/8/2018

Grosvenor House, Mayfair, London

If you work in the fresh produce industry and you are looking to expand your business and discover new opportunities, then this is the show for you. The boutique exhibition gives trade exhibitors direct access to a wide range of international produce buyers from the retail, food service and wholesale sectors. A series of networking occasions, seminars and chef demonstrations run around and alongside the exhibition, delivering every participant the opportunity to meet, share and learn with their counterparts from around the world.
