Seattle, Washington

The 15th Annual Green Roof and Wall Conference is themed "Building Resilience and Equity across Cascadia: People, Community and Places". The conference will highlight the necessity of green roofs and walls alongside Cascadia's unique characteristics as they contribute to community, place making and the resilience of the people through a variety of sessions and workshops. In addition to the educational sessions, CitiesAlive will have a trade show and tours to some of Seattle's best green infrastructure projects.
