International Low Impact Development (LID) Conference

8/12/2018 - 8/15/2018

JW Marriott, Nashville, Tennessee

This year's theme is "Getting in Tune with Green Infrastructure." The event, sponsored by the Environmental & Water Resources Institute (EWRI) in the American Society of Civil Engineers, highlights interdisciplinary practice, research and implementation of Low-Impact Development (LID), Green Infrastructure (GI), Sustainable Urban Drainage Systems (SUDS) and Water-Sensitive Urban Designs (WSUD).

This conference provides a national forum to present the latest developments, technologies and case studies related to LID and green infrastructure technology.
