INTERNATIONAL EXHIBITION
GREEN IS LIFE

Green is Life

9/6/2018 - 9/8/2018

Expo Warszawa XXI, Warsaw, Poland

This is the largest and most diverse presentation of garden plant offers in Poland, also featuring shows of technology and equipment for gardens and landscape architecture. The international character of the Expo is demonstrated by the participation of exhibitors from twelve countries, and visitors from 40 countries, from Europe, especially from eastern and northern areas, Belarus, Ukraine, Russia, the Baltic states and Scandinavia.
