The University of Georgia Public Open House

7/21/2018 - 7/21/2018

The University of Georgia Trial Gardens, Athens, Georgia

UNIVERSITY OF
GEORGIA

Time: 8:00 a.m. to Noon. The Gardens trials the newest varieties of annuals from the top plant breeders from all over the world and puts perennials to the test to find those that stand up to southeastern heat and humidity. The Gardens at UGA is open all year and is a great source of ideas and information for students, gardeners and industry professionals. Features include, hanging baskets, concrete containers, perennial and annual gardens, bog cacti and water garden. There will be some items for sale at the event.
