Flower Expo Poland

9/6/2018 - 9/8/2018

Expo XXI Warszawa, Warsaw, Poland

The third edition of Flower Expo Poland will be held together with Green Is Life. The expo is interesting for professionals in the entire value chain of flowers and plants. Not only for retailers, wholesalers and florists but also for growers, exporters, garden centers, DIYâ€™s, importers and suppliers of added value products. Visiting means meeting up with key suppliers from many different countries. The first two days are only for trade visitors, the third day the show is open to consumers too.
