**GWA Digging and Drinking on Long Island**

**10/1/2018 - 10/1/2018**

**Landcraft Nursery and Gardens, Long Island, New York**

The Association for  
Garden Communicators

Join GWA in learning different aspects of commercial horticulture. Come learn about raising ornamental and tropical plants for summer color, rowing plants for a green roof, urban installations and growing grapes and making wine. The day will include tours, speakers, lunch, wine tasting and more.
