IGIA Growers Tour

9/20/2018 - 9/20/2018

Aurora, Plano and Leland, Illinois

Building the right relationships and sourcing the right product to get results!

Each year, the IGIA Growers Committee plans a one-day event where attendees tour member grower facilities. This affords the opportunity for both members and non-members to learn more about the unique growing operations producing quality nursery stock right in our back yards. The three stops are: The Growing Place, Aurora, Hinsdale Nurseries, Plano and Pizzo Native Plant Nursery, Leland.
