**Independent Home Improvement Show (IHIS)**

**8/13/2019 - 8/15/2019**

**McCormick Place, Lakeside Center, Chicago, Illinois**

The Independent Home Improvement Show is uniquely designed to connect independent retailers with leading manufacturers. At IHIS you will create personalized, meaningful connections, develop strategic sourcing opportunities and walk away with top notch education to arm yourself in today's ultra-competitive marketplace. Launching in August alongside the Independent Garden Center Show, the industry's largest trade show and conference for independent garden center owners, managers and buyers, the Independent Home Improvement Show is where the extensive home improvement industry comes together in one place because of one goal: to support the future and business development of independent retailers.
