THE NATIVE PLANT SHOW

Native Plant Show

11/7/2019 - 11/8/2019

Clayton E. Hutcheson Center, West Palm Beach, Florida

An educational event with exhibits featuring native plants and select green products and services. Continuing education classes are provided for horticulture, landscape, environmental and community association professionals as well as many learning opportunities for property owners and gardeners. There will be a plant sale open to the public both days.
