AmericanHort Webinar: The Changing Nursery Industry: How Will You Adapt?

10/23/2019 - 10/23/2019

2:30 - 5:15 p.m., EST

WEBINAR

Join experts for this free virtual conference for students and young growers as they dive into the many dynamics driving change throughout the nursery industry. You'll hear from thought leaders like Kyle Daniels, Tom Buechel, Megan Abraham and more. Learn how to better understand how to think and act progressively as a grower, how to find opportunity in pest and regulatory issues, how to navigate e-commerce shipping and more. This virtual conference experience is brought to you by AmericanHort and Purdue University and sponsored by Nature Hills Nursery/Plant Sentry. Register Now!
