OUTSIDE Collaborative Tour Series: Residential Native Plant Landscapes Inside a Managed Community Tour

5/21/2021 - 5/21/2021

The Villages, The Villages, Florida

Part of the OUTSIDE Collaborative 2021 Tour Series, this self-guided field tour will explore single-family residential homes inside the Villages which have been converted from turfgrass dominated conventional landscapes to Florida Friendly Landscapes with several homes utilizing up to 100% native plants.
