AmericanHort Webinar: Women in Horticulture Interview Series: Growing Up in Horticulture (With Nine Siblings)

10/20/2021 - 10/20/2021

2:00 PM Eastern/ 1:00 PM Central

As two of nine siblings in the Heimos family, Micky Byland and Amy Morris of N.G. Heimos Greenhouses have spent their professional careers in the green industry and are actively involved with many industry organizations. Topics like include: the keys to successfully working in a family business, how to grow your profession and become a leader in the green industry, and advice for anyone seeking a rewarding career in horticulture.
