Ball Publishing Webinar: Greenhouses: Traditional vs. New Technology

6/8/2022 - 6/8/2022

2:00 PM Eastern/1:00 PM Central

Al Sray, Senior Account Manager for Prospiant, will be addressing a range of topics when it comes to traditional vs. new greenhouse technology, including general greenhouse selection criteria, system selections and overall trends in the marketplace. Joining Al will be Brent Ford, Business Development Representative from Argus Controls. Sponsored by: Argus Controls.
