

South Florida Native Plant Seminar

10/18/2023 - 10/19/2023

Kapnick Center at Naples Botanical Garden, Naples, Florida

See natives at their best in a world class botanical garden. For design professionals, landscape and retail nursery staff. Industry education and networking with a focus on high-end landscape use of native plants. Offering first of its kind, digital microcredential in partnership with Florida Gulf Coast University.
