Tropical Plant International Expo (TPIE)

1/20/2021 - 1/22/2021

Virtual event

Save the TPIE 2021 dates (January 20-22) as TPIE will deliver online the TPIE Opening Session with Max Luthy, and the educational sessions which were to take place at the show. TPIE will continue to serve as a conduit between buyers and exhibitors, offering targeted information on plant availability, showcasing exhibitors and their plants and products, and more. Stay tuned for details.
