The London Produce Show and Conference

3/22/2021 - 3/24/2021

ExCeL London, London, England

As the largest produce event in the UK, this event gathers key buyers and sellers of fruits and vegetables from across the UK and around the world for unparalleled education, exceptional opportunities to network and build relationships as well as providing exceptional venues for business development and dedicated sourcing opportunities. The London Produce Show and Conference is co-located with several other events, all under one roof at ExCeL.
