BuyerFest

9/1/2020 - 9/30/2020

Minnesota, Illinois, Wisconsin

Just like everything else in 2020, BuyerFest is going to be a bit different this year. Throughout September, theyâ€™re hosting BuyerFest at each of their locations by appointment, so youâ€™ll be able to see all the new products in person, safely. Plus, theyâ€™ll have their vendors available via live chat or phone September 16 and 17 for any questions you may have. Webinars with amazing industry professionals will be available all month with scheduled Q&A sessions if you want to learn more.
