Ball Publishing Webinar: Poinsettia Tech Part 3: Bract Development and the Final Stages of Poinsettia Production

9/9/2020 - 9/9/2020

1:00 PM Eastern/12:00 PM Central

In part three of Selecta One's three-part series, you'll learn about late height control, final bract development and other topics related to finishing a strong poinsettia crop. Our expert panelists are Jason Twaddell, Gary Vollmer and James Doukas from Selecta One. Hosted by Bill Calkins, senior/digital editor of GrowerTalks/Green Profit.
