Virtual event

Four Star University

Join the Four Star growing team for an exclusive grower-to-grower event to learn the latest in plant culture, production methods and more. Four Star University (FSU) is a free online program for hands-on growers, beginning September 28th and followed by a live Q&A session with the Four Star grower team on October 6th at 1:00 PM Eastern/12:00 PM Central. Content will be available 24/7 at your fingertips.
