CITIESALIVE CitiesAlive Virtual
VIRTUAL 10/20/2020 - 10/23/2020
Virtual event

A multi-disciplinary conference bringing together the very best designers, product manufacturers, researchers, and policy makers in the field of living architecture and green infrastructure. Attendees will hear from leading-edge designers discussing their innovative approaches and award winning projects; learn about progressive policies; and see the latest research; and last but not least opportunities to tour outstanding projects in-person in small groups.
