Northeast Greenhouse Conference Webinar Series #4: Learn the Newest Strategies to Keep Root Rots from Hurting Your Bottom Line

12/2/2020 - 12/2/2020

12:00 PM Eastern/ 11:00 AM Central

The Northeast Greenhouse Conference and Expo has announced that they will offer six webinar series beginning November 4th, sponsored by New England Floriculture Inc., in order to deliver content relevant to greenhouse pests, diseases, biocontrols, PGRs and sanitation. Pesticide recertification credits will be offered for the New England States and New York.
