

SNA Virtual Conference - Canceled

2/3/2021 - 2/24/2021

11:00 AM Eastern/ 10:00 AM Central

The SNA Virtual Conference will be held in four sessions on Wednesdays throughout February from 11:00 AM to 1:00 PM Eastern/ 10:00 AM to 12:00 PM Central from February 3 to February 24. This new virtual experience will provide opportunities for learning, sharing, and collaborating with peers and experts through Q&A, breakouts, social engagement and more – all recorded for replay or to share with other staff. Program content will feature the hottest new plants coming to market, the best practices for growing, and the latest horticultural research from top researchers from across the country. And new for 2021, business related topics will be included as well.
