## Costa Farms 2021 Season Premiere

3/4/2021 - 3/5/2021

Miami, Florida

Costa Farms offers an opportunity for brokers, growers and other members of the industry for an opportunity to preview 2022 new plant varieties. The Trial Garden will host genetics from leading plant breeders from around the world, including Ball FloraPlant, Beekenkamp, Benary, Classic Caladiums, Danziger, Dummen Orange, GreenFuse, Hem Genetics, Hilverdaflorist, Kientzler, PanAmerican Seed, PlantHaven, Proven Winners, Sakata, Selecta, Suntory, Syngenta, Takii, West Flowers and others. Limited registration as well as a virtual experience will be made available if an in-person event is not feasible.
