

## Nursery Guide LIVE Marketplace

3/17/2021 - 3/18/2021

Online event

Nursery Guide has been helping unite green industry buyers with the top providers of plants, products and services that customers have needed for decades. Now, connecting is even easier with the two-day virtual marketplace that offers the best sales opportunities in the business. Use Nursery Guide LIVE to prepare for the spring season – no matter where you are working from.
