Ball Publishing Webinar: Surround Yourself with Shady Characters: Modern Hosta Hybridizing, Introductions & Practical Production Tips

3/10/2021 - 3/10/2021

1:00 PM Eastern/ 12:00 PM Central

Hostas are a mainstay of shade gardens and regularly rank among the most popular perennials in production today, and that popularity shows no sign of going anywhere but up. If you want to know what's new in the world of hostas or get some culture tips to boost your production, this is the webinar for you. Leading off this webinar is Hans Hansen, Walters Gardens' resident plant expert extraordinaire, and anchoring the presentation is avid hosta enthusiast Laura Robles.
